NEWSLETTER – MARCH 2022

WELCOME

Welcome to the March edition of our Newsletter.

Remember the *Club Cocktail Party* on Friday 4th March from 5pm to 7pm.

Please come along and join the fun! Sports have been severely curtailed by the recent rains, so here is a chance to catch up with friends for a relaxing couple of hours.

We continue to do all that we can to maintain our Club as a safe place to be – the safety of our members, guests and staff will continue to be of the highest priority.

The Club has extended to 31st March the temporary By-law restricting entry to only those who are able to show proof that they are fully vaccinated or those with a registered Medical Contraindication Exemption.

Club Manager Kevin is now permitted to return to onsite work due to the fact that he has gained natural immunity to COVID 19, which has been confirmed by pathology reports and documented by the NSW Govt Contraindication Certificate issued by a doctor who is a Fellow of the Royal College of General Practitioners.

The Certificate is valid until 21st July 2022. The Board have been working on this matter with guidance from workplace relations, legal experts to ensure that we do not place the Club at any risk.

The Road to Freedom

We made it! The NSW Government has finally lifted the last COVID-related restrictions on personal freedoms in hospitality venues such as ours.

I am personally glad to see the end of those pesky face masks. Of course, we can continue to wear face masks, but at least it will be our own personal choice, rather than an edict from above.

We should be congratulating ourselves on a truly remarkable achievement. The first cases of COVID-19 in Sydney occurred just over two years ago, on 19 January 2020, when three travellers returned from Wuhan, China and tested positive. During those two years, not a single case of COVID can be traced back to our Club.

This could not have happened without the full co-operation of all our members. Give yourself a well-deserved pat on the back. You have made our Club one of the safest places on the planet, safer than shopping malls, cafes etc. Even safer than some private homes.

Let us now move our lives along, with renewed optimism.

COVID-19

The following restriction currently applies but changes may be imposed at any time.

Only fully vaccinated people or those holding the approved Medical Contraindication Exemption Certificate are allowed on Club premises up to 31st March 2022 (which date is subject to change at any time).

There is no longer any requirement to electronically check in with the QR code. There are also no longer any spacing rules, but your Club will continue to space furniture out in a safe and comfortable way.

Patrons are no longer required to wear face masks indoors but may continue to wear them as a matter of personal choice.

We still recommend use of hand sanitizer available throughout the Club. 1.5m spacing between people is still recommended, both indoors and outside.

Jacks, mats and croquet equipment should still be disinfected before and after each game. You should not handle other people's sports equipment.

Cards and mah-jong tiles along with associated items should be sanitised using wipes / sanitiser provided on tables.

ANZAC Day

ANZAC Day is coming up soon and we do not have anyone to give the address this year.

If any member would like to volunteer to give the address, please contact Brian Harris. Alternatively, if you have a friend or family member who would have a suitable contribution, please let me know.

CLUB MANAGER'S REPORT

Hi Everyone.

Here is a short update on food and beverages, up-coming events and goings-on.

We are fast approaching our next fully booked *Faulty Towers Dining Experience*, which will be on Thursday April 7th. First ticket was sold on 28th October and last ticket on Feb 14th.

We will have 108 guests which is a good amount for our Dining Room and it will be another great night. This event is mainly booked out with locals and people new to the Club! Another show is being considered for later in the year.

Just on a personal note, I wish to mention that I am now permitted by the Board to return to onsite work due to the fact that I have gained natural immunity to COVID 19, which has been confirmed by pathology reports and documented by the NSW Govt Contraindication Certificate issued by an authorized, specialist doctor.

We see that regular functions are now starting to pick up with the return of Rotary Wahroonga on Wednesday mornings every week for breakfast. It has been a 23 month gap for them, and until recently, they have been meeting in parks. We welcome them back!

Sam will be Chef on those mornings! Warrawee Probus has also restarted their monthly meetings on the 4th Friday of the month (except March when they have moved it to the 3rd Friday but arrangements have been made for Bridge to also run on that day!!)

Functions that have been put off are starting to be rebooked, with AGMs, memorial services and training conferences starting to enquire. Let's see what the year holds.

All that said, I look forward to being of service to everyone in the future and getting the functions up and running again

Kevin

Manager – The Warrawee Club

WELCOME TO CROQUET

Welcome To the Warrawee Croquet Club Newsletter for March.

Friday afternoon and Saturday morning golf croquet coaching and social playing numbers are on the increase. It's not uncommon to see 12 to 16 social players filling the lawn having a tap and chat as they rotate around the hoops in an orderly fashion, sometimes taking the odd short cut to avoid stacking at a hoop.

Let the pictures tell the story.

Saturday morning, new members Pauline and Colleen play a game with Louise and Di

New members Charles and Rowan from Mr. Nice Plumbing (WBC sponsors) having a Friday afternoon lesson.

Regular Friday evening players Andrew and Mal taking a professional coaching session from Alison Sharpe

Friday afternoon Paul Dewar taking new members Colleen and Joe around for practice.

Friday afternoon new members Rosemary, Sue, Kevin, and Betty having a practice round.

Australian Croquet Championships

Sunday 13th and Monday 14th March.

As announced last month the WCC has been selected along with Chatswood, Cammeray, Eastwood and Manly Croquet Clubs to co-host some of the preliminary and plate rounds of the 2022 Australian Croquet Championships - Men's Singles Association Croquet. An International ranked tournament presented by Croquet Australia, and this year hosted by Croquet NSW, contested by some of Australia's best players.

This opportunity comes to Sydney once every 6 years, and we consider ourselves honored and privileged to be selected to co-host this prestigious event, although in a very small way with just one lawn to offer.

If you are looking for an outing with a difference or just something to do on Sunday the 13th or Monday the 14th March, pop into the club and watch a very traditional game of Association croquet played at the top level with skill, strategy and precision by the best of the best.

Points of interest

For the 2022 Australian Championships the Lawn boundary marking, hoops and peg will be moved one meter to the east.

Our Green keepers, Darren and James have been asked to quicken the Lawn speed to 11 - 13 seconds. Maybe a difficult task if the current inclement weather conditions continue for the next 14 days.

Hoop gaps are to be reduced to 3.11/16 inches, there is a margin allowed of +/- 1/32 of an inch. Extremely tight when considering croquet balls are manufactured to a diameter of 3.5/8 inches with a margin of +/- 1/32 of an inch. Yes you guess it. If the + margins are added and the hoop setting is not precise there is a possibility of a Ball jammed in a hoop. Rule 35(b) covers such a situation.

KilWar Croquet Competition

KILLARA CROQUET

Tuesday the 22th February saw the second round of the 2022 KilWar Competition against Killara Croquet Club played at Killara. Also known as 'The friendlies' which best describes the competition and the atmosphere on the day.

Results: Golf Croquet

Doubles: Tony Fabro & Paul Dewar 13 hoops -V- June Goswinket & Arthur Bayles
12 hoops. Games: 1: all.

Singles : Peter Armstrong. 18 hoops –V- Doug Greening
18 hoops, Games: 1:2

Results: Association Croquet

Doubles: Peter Armstrong & Maria Morton 15 hoops -V- Ron Bradner & Mary Lambert
13 hoops. Game : 1:0

Singles: Jenny Ellwood 11 hoops -V- Margaret Craig
10 hoops. Game : 1:0

Hard and evenly fought matches were played throughout the day with WCC coming out on top late in play with the smallest of margins.

Many thanks to Killara for hosting the day and for their courtesy and companionship.

Back to Warrawee on the 15th March for the next round when the clubs facilities will be fully operational and available to players.

KilWar Competition at Warrawee

.Combination of Association & Golf Croquet - 15th March

Wahroonga Village WBC/WCC promotional/recruitment street walk.

10th & 11th March

Some 200 tote bags will be handed out to shoppers and café patrons. The tote bags will contain WBC & WCC promotional and recruitment material, an invitation to the Australian Open Singles Championships, collapsible water bottle provided by Croquet NSW, WBC club pen, and a cleaning kit for glasses provided by club sponsor "The Eye Piece – Wahroonga".

Volunteers to help Marilyn Pryor and Kerrie Lyons fill the tote bags are more than welcome. Naturally, the finished job comes with some form of refreshments. Cuppa and an Arnotts classic for starters.

How to build a retaining wall – the Warrawee way

First you recruit a crack, over-qualified, over 70s construction team of volunteers from amongst the Club's Croquet and Bowling members; such as Malcolm Kirby - retired Master Builder, Paul Dewar - retired Engineer, Allan Ramsay - retired Engineer and Warwick Davis - retired Mining Engineer.

I am guessing that Warwick was brought on board in case they struck gold during the trenching stage.

For structural integrity, add to the mix a ton or two of crushed stone, yards of 8 inch irrigation pipe, Adbri, interlocking retaining wall blocks, naturally with capping to match.

Let the men loose with shovels, a compactor and a self-laser levelling

device and you have an engineered built retaining wall as good as any.

To finish the job and add colour to the garden, throw in 34 'Hippeastrum' bulbs provided by Brian and Moonhee. Then just add water.

Well done men! Most impressive work indeed and a garden feature that will hide the service ramp and showcase the corner of the property with colour that will excel for many years to come. With sincere thanks and gratitude from the Croquet members.

The end

Progressive membership count as at February: 53 with 2 new application in the pipeline.

Well that it for now – Keep the head down and follow through till next time.

LADIES SECTION REPORT

On the 24th February 2022 the Ladies Club celebrated two very important occasions:

- The naming of C Green
- 50th Birthday

The naming of C Green

C Green was named as the ***Alison Dawkins Green***, in recognition of our Life Member and Patron Alison Dawkins.

To commemorate this occasion, we held a morning tea with Club members and three of Allison's family, namely great nephews George and Charlie Harper and God-Daughter Annie Blackstone.

Following, morning tea Annette Renshaw read a moving tribute to Alison followed by Club Chair Brian Harris who also spoke about the contribution to Warrawee Bowling Club that Alison had made.

President Jan and Brian together with the family members then went down to the green to unveil the memorial plaque. Everyone then assembled on the green and our resident photographer, Len Hyde. was able to take some photos. Many thanks Len.

George Harper – Brian – Jan – Annie Blackstone – Charlie Harper

50th Birthday

50 years ago we were affiliated with Women's Bowls NSW and to mark this occasion we organised a day of bowls and lunch.

Unfortunately it rained so after morning tea and the naming of the green, some played bridge or mahjong or just sat around chatting and catching up with friends until lunch time when we were joined by all our social ladies.

We were very fortunate to have as our guests, Pam Andrich - Vice President Bowls NSW Ltd, Sue Hamilton - District President, NSDWBA, Brian Harris – Chair Warrawee Bowling Club,

Keith Handley - President Warrawee Men's Bowls and Diana Smith, a representative from our Sponsor, Bendigo Bank.

At lunch, which was delicious, President Jan acknowledged all our Past Presidents and Officials and guests, then read out a short history of the Warrawee Women's Bowling Club which was most interesting when you realise that the Warrawee Club is 115 years old and we are only 50.

She thanked all the members who had helped to make the day as successful as it certainly was.

The room looked very festive with beautiful flowers by Bev Love, and balloons, and again thanks to our photographer Len Hyde who was able to take some stunning photos.

Pam Andrich – Jan – Annette – Sue Hamilton - Heather

Trophies

The day was also an opportunity to present trophies to the winner and runner-up of the Club Singles Championship.

Winner: Jan Simpson Runner up: Annette Renshaw

The trophies were presented by Vice President Bowls NSW Ltd Pam Andrich.

The 50-year Commemorative Plate

Competitions

We had 2 teams play in the Belrose Carnival Day and each team had 2 wins and a loss. Well done.

We are now looking forward to the District Event, the Jean McKinnon Shield to be held at Warrawee, when 2 Districts play off for the Shield, North Shore District WBA and Manly Warringah WBA on 7th March, 2022. Fingers crossed for fine weather.

FROM THE SECRETARY'S DESK

HISTORY OF KU-RING-GAI COUNCIL

The Darramuragal or Darug people have been in our area for thousands of years. They lived from Newcastle to Sydney, mostly along the waterways.

Eleven weeks after the First Fleet arrived, Governor Phillip set off to find water sources and farming land. On 16th April 1788 the expedition camped at Middle Harbour creek – becoming the first Europeans to set foot in what is now Ku-ring-gai.

One of the first white settlers to live in the area was William Henry who farmed the land next to the Lane Cove River in 1814. The early population consisted of workers and farmers who lived in small, isolated communities.

The population grew in the mid-1800s as major transport routes were built. The construction of the railway in 1890 and the introduction of local government transformed the region from a series of isolated farming communities into a collection of sought after suburbs.

The formation of the Council closely paralleled the history of our Club.

The **Shire of Ku-ring-gai** was incorporated on 6 March 1906 and the first Council election was held on 24 November 1906, with the result being declared on 8 December. The first President of the Shire was William Cowan.

Only months later, on 1 April 1907, the **Ku-ring-gai Recreation Club** conducted its *Foundation Day*, on our present site, later becoming **Warrawee Bowling Club**.

The first Shire Council consisted of 6 councillors and a small building was constructed on the main road in Gordon, replacing temporary offices that had been constructed on the grounds that later became St John's Church.

The inter-war period saw vast improvements in infrastructure and a period of urban consolidation and local government needed to expand. In 1928, the **Shire** was converted into **Ku-ring-gai Municipal Council** with 4 wards, each represented by 3 aldermen.

[ASIDE: Apparently at the time, it was not contemplated that women would seek to serve on Council. It was not until the 1960s that a woman would eventually become an "Alderman" of Ku-ring-gai Council. The title was later changed to "Councillor". How things have changed! The 21st century has seen 5 female Mayors of Ku-ring-gai, some serving more than one term – Laura Bennett 2000-02 - Adrienne Ryan 2004-05 - Elaine Malicki 2005-06, 2008-10, 2012-13 – Jennifer Anniston 2011-12, 2013-15, 2015-21 – Cheryl Szatow 2015-16. A total of 14 years out of 22. Jennifer Anderson is the longest serving Major of either gender, in the 116 year history of the Council]

The original section of the present Council Chambers (below) was opened in 1928.

Courtesy: Ku-ring-gai Historical Society

By that time, the main road had been named Lane Cove Road, later to become the Pacific Highway.

The last **President** of the **Shire** was George Christie and the **Vice President** was William Read. These gentlemen became the first **Mayor** and **Deputy Mayor** respectively, of **Ku-ring-gai Municipal Council** in 1928.

After serving on the Council, both gentlemen went on to bigger and better things.

William Read became **President of Warrawee Bowling Club** from 1938 to 1941.

George Christie became **President of Warrawee Bowling Club** from 1944 to 1947.

William READ

President WBC 1938-41

George CHRISTIE

President WBC 1944-47

During World War II, Ku-ring-gai hosted major Australian defence agencies and bases and a number of community organisations formed to help the war effort. Among them were the Ku-ring-gai Women War Workers, who supplied knitted goods to soldiers fighting abroad and the Ku-ring-gai Voluntary Aid Detachments, who cared for sick and wounded soldiers upon their return to Australia.

Some time later, in 1979-1980, former Club member **Howard Vains** was also Mayor of Ku-ring-gai.

Howard was living in Wahroonga at the time but has since down-sized to an apartment in Cremorne. He is currently a member of Mosman Bowling Club.

Below a comprehensive list of Mayors, and Deputy Mayors. I do not have comprehensive lists of Club members, especially from the early days. If anybody knows of other Warrawee Bowling Club members who have served on Council, I would be pleased to hear of them.

Secretary – Warrawee Bowling Club

CONCLUSION FOR THE MONTH

Brian and Moonhee have settled into the Club cottage awaiting completion of their new home. Plans for daily rolling up to improve our bowling skills have been thwarted by the recent heavy rains which have left our greens closed on many normal bowling days. We hope autumn will be more kind with less rain!

A reminder that our NEW club website address is:- <https://warraweeclub.com.au>

Stay safe and stay well.

INHERENT STRENGTH REMAINS IN LOCAL PROPERTY MARKET

As we moved into February it became apparent that there is still plenty of strength and optimism within our market, with a solid pool of upbeat buyers looking to purchase. And while we would never expect to replicate the heady price expansion that we saw in last year's unparalleled climate, the market is definitely still propelling forward, albeit with more moderate growth.

What we're experiencing in our core area appears to align with leading economists' outlook for the year, with experts at the NAB predicting flatter growth for 2022 of around 3 percent. That said, there are factors expected to moderate the market later this year. Sometime before May 22, Australians will take to the polls for the Federal Election. An election often coincides with a modicum of hesitancy when it comes to property, with people adopting a wait-and-see approach to the outcome. Secondly, interest rates are predicted to rise, possibly from as early as August, which will impact buying power and market sentiment, with the NAB forecasting a rise of 65 basis points by February 2023.

What's the take away from this? Given its plethora of desirable attributes, our local market will always be in demand and a solid investment prospect, however the first quarter of the year is proving to be a prime time to sell and take advantage of the prevailing strong conditions.

If you are "thinking" of selling, you would like to discuss your future plans or you need help to purchase your next property, prior to selling your home- please feel free to contact me anytime, I'd be delighted to help!

Kind Regards
Leonie
