NEWSLETTER – OCTOBER 2022

WELCOME

Hello Everyone,

Welcome to the October edition of our Newsletter.

The first of our greens will be closed for renovation in the coming days – the first renovation for two years. Every effort will be made to have both bowling greens and the croquet lawn back in service in February to meet earlier inter-club competition matches than in the past.

Malcolm Kirby continues work on the new unisex accessible toilet and the new ladies' toilet facilities at the south end of the building which are close to completion. The tarmac in front of the clubhouse will be partially dug up to make sewer connections in the next few days, but every effort will be made to minimise inconvenience.

Extract from the President's report – 'Looking ahead'

I feel our challenge ahead is to encourage our members' involvement and develop a culture of learning and advancement for players to improve their game and enjoyment of the sport through increased participation and social interaction.

Importantly, how can we increase our presence in Warrawee, Wahrenonga and Turrumurra for croquet to be seen as a growing and active sport amongst our local communities?

Looking ahead I see our new focus is to switch from a successful recruitment plan to a plan that will see the Club thrive and grow in what might be the new "COVID-normal" of community sport and recreation.

News from Croquet NSW

The following Croquet NSW Club members were presented with their **GC Referee Certificate**:

Doug Cornish: Nowra Club Robyn Sim: Wollongong Club
Roberta Flint: Marrickville Club Maria Morton: Warrawee Club.

We congratulate these new Golf Croquet referees on such a worthy achievement.

We have all witnessed the hard work and time Maria has devoted to securing this accreditation as evident by the recent workshops she conducted on GC Rules for our new and Pennant members.

Maria is now a dual Association Croquet Umpire and a Golf Croquet Referee, a fine achievement and a reflection of her dedication to the sport.

Well done Maria and thank you

BRIEF HISTORY OF CROQUET

The origins of croquet are shrouded in the mists of time.

However it is generally agreed that the game of croquet emerged from Ireland as a social pastime around 1850 where it was known as **crookey**, a word describing a hooked stick.

A northern European origin for the game is possibly evidenced in the 17th century Dutch game of **beugelen**, (played on an indoor clay court with football -sized wooden balls and one metal ring) and in the French game of **pall mall** (jeu de mail), played with smaller balls, hoops and mallets.

From Ireland it soon spread throughout the English-speaking world. Propelled by publicity in the British sporting press, it burst into flower in the early 1860s.

No one had seen anything like it – a fun game that could be played by all, by young and old, by men and women. While the many, who we know today as players of 'garden croquet', clung to the game as a social pastime, the few aspired to higher things.

The first code of laws to receive universal recognition in England was compiled by the leading clubs in 1870. When the All England Croquet Club, which had led this initiative, turned its attention to the development of Lawn Tennis in 1875, croquet went into eclipse.

But it was soon to rise again. In 1897 the clubs around England regrouped to form the United All England Croquet Association, soon to be renamed the **Croquet Association**, which remains to this day the game's national governing body and which continues to play a leading role in the development of croquet worldwide.

Competition is the essence of croquet. Individual tournaments, inter-club events, and national championships have been played since the earliest days. The game went international in 1925 with the institution of the Mac Robertson Shield test series between the leading croquet nations, and,

since the formation in 1989 of the World Croquet Federation, world championships have been held in most years.

As croquet became increasingly complex, clubs and national associations looked for ways of simplifying the game to attract new members. Experiments were held with a variety of novel formats.

Today the World Croquet Federation recognises three forms of the game:

- Association Croquet, the traditional game played in most countries
- The American Six-Wicket Game, and
- Golf Croquet, a hybrid game first recognised by the Croquet Association in 1934.

The game has made huge advances since it was first played in Victorian times on indifferent lawns with makeshift equipment according to crude rules. Changes in the laws and tactics, innovations in equipment, and standards of turf management have advanced hand in hand.

Croquet today is just one of a galaxy of sports and games, keenly contested and highly regulated.

Croquet was introduced to Australia shortly after it became popular in England and there are records of it being played in Tasmania the 1860s. As in England, it tended to be overshadowed by tennis and so declined until towards the end of the century when it again started to become popular.

INTERESTING AUSTRALIAN WWI HISTORY :

Irish born Lieutenant Commander HHG (Dacra) Stoker (RN) age 29 was awarded the Distinguished Service Order (London Gazette, 22 April 1919) 'In recognition of his gallantry in making the first passage of the heavy fortified Dardanelles in command of HM Australian Submarine AE2 on 25 April 1915'.

Six months later he was mentioned in dispatches (London Gazette, 17 October 1919) 'For valuable services in HM Australian Submarine AE2 in the prosecution of the war'.

Dacra Stoker upon retiring from the Navy became involved in early television dramas in the 1950s. Come his mid-60s, he began to take life a little more quietly and devoted additional time to sporting pursuits such as golf, tennis and particularly Croquet.

While one critic of that era described croquet as an "impossibly difficult exercise played to incomprehensible rules by venomous people with a tendency to swear under their breath"

Stoker was fascinated by the sport. In fact in 1962, at the age of 77, he became the croquet champion of Ireland.

EXTRACT FROM CROQUET NSW SEPTEMBER NEWSLETTER:

GROWING U21 CROQUET IN NSW Croquet NSW is looking for 2-4 people to form an U21 Working Group.

The Group will consist of the State Co-coordinator of U21 Croquet and 2 to 4 additional members.

The Working Group's goal is to develop a plan to increase numbers of U21 players, promote croquet for the U21

The Working Group will be set up for 12 months and will provide recommendations to the Board by June 2023. The Australian Croquet Association has set up a fund to encourage and promote croquet for U21 players.

This fund will provide sponsorship for players from all States to attend the National U21 Gold Medal competition and pay for the winner to attend the New Zealand U21 Championships. We are looking for people with an interest in U21 players and in growing croquet.

Skills in any of education, marketing and promotion, and coaching areas would all be valuable. Expressions of Interest are accordingly sought for volunteers to form an U21 working group.

For Warrawee - 'looking ahead'. An interesting concept that once established, could fit our local demographic segment which is education based; as we are surrounded by six private schools 2 State High Schools and One selective school all located within 1 to 15 minutes of the WCC.

THE BOYS ARE BACK IN TOWN

Gone missing and last seen in October 2021. The men from the club's sponsors "Mr. Nice Plumbing".

Harry, Charlie and Rowan, part of a team of specialist plumbers operating on the upper Northshore, dressed in their formal Friday work attire are back!.

Work demands over the past 12 months from the harsh wet weather conditions driven by Sydney's La Niña has kept the Boys on the tool away from the lawn. But the big hitters are back and it safe to say "their shots are as sharp as their suits". Charlie, Rowan and Harry are looking to join the Saturday mornings players to develop their strategy and tactics to match their enthusiasm.

WCC LAWN & GROUNDS REPORT:

Trees : Last week we received verbal confirmation from Knox Grammar that the Ku-Ring-Gai Council has approved the height reduction of their trees located along their southern boundary facing the Clubs croquet grounds.

The approval includes ongoing maintenance to maintain the trees at a specific height in the years ahead.

Our thanks and grateful appreciation to Knox Grammar for attending to this matter in support of the Club efforts in its preservation of the Croquet lawn.

We anticipate that the trees will be cut back prior to the renovation of the lawn in the New Year.

The Club fully supports the Council's tree preservation policy and believes reintroducing the managed reduction of the height of these trees to their previous level will not affect the health of the

trees, but can ensure that both endeavours can be accommodated to reach the Community and Council expectations.

VERANDAH AWNINGS

WBC Board approval was recently granted to replace the canvas roll up awnings located along the Clubs Croquet verandah.

The original awnings have been partly replaced and repaired over many years and are frail and torn to the point they can no longer hold a repair stitch.

The new blinds with their traditional white scalloped trim will be installed in time for the WCC "Gala Day" booked for the 1st October '22.

LAWN RENOVATION

It is planned for the Croquet Lawn to be fully renovated in line with the renovation of the bowling greens.

Consideration has been given for the work to start on Monday the 19th December upon the completion of the GC Club handicap Singles Competition on the 16/12/22.

Weather permitting, the usual eight weeks have been allocated to complete the renovation; enabling for the lawn to be back in play on the 19th February. This allows time for coaching and training of our GC Pennant players before the start of the 2023 Pennants season in early March '23.

The trees overshadowing the lawn, lawn renovation - top dressing and Laser leveling all in one

The veranda roll-up awnings to be replaced

'C' green renovation, removing the waste material manually after scarifying)

CONCLUSION

WCC membership numbers as at September stand at : 67.

Well, that's it for now – Stay happy and healthy till next time.

COSMETIC SURGERY

A 52 year young lady had a heart attack and was taken to the hospital. While on the operating table she had a near death experience seeing God she asked "Is my time up?"

God said, "No, you have another 43 years, 2 months and 8 days to live.

Upon recovery and since she had so much more time to live, she figured she might as well make the most of it. So the lady decided to stay in the hospital and have a face-lift, liposuction, implants and plastic surgery. She even had someone come in and change her hair colour and brighten her teeth!

After her last procedure, she was released from the hospital. While crossing the street she was hit by a passing ambulance.

Arriving in front of God, she demanded, "I thought you said I had another 43 plus years to live? Why didn't you pull me from out of the path of the ambulance?"

God replied: "I didn't recognise you."

FROM THE SECRETARY'S DESK

CENTENARIAN CLUBS BOWLS GALA DAY

After an absence of a couple of years due to COVID, this event resumed on Sunday 18th September, hosted by North Sydney Bowling Club.

Invited to this event are all the bowling clubs in the Sydney metropolitan area that have been around for a hundred years or more. This includes the following:

CLUB	ESTABLISHED	CLUB	ESTABLISHED
Balmain	1880	Chatswood	1900
Manly	1883	Hunters Hill	1901
North Sydney	1888	Mosman	1902
Ashfield	1889	Warringah	1903
Waverley	1893	Warrawee	1907
Randwick	1894	Beecroft	1913
Petersham	1897	Pratten Park	1914
Neutral Bay	1898	Killara	1916
Gladstone Park	1898		

Attending this year's event were nine teams – Beecroft – Chatswood – Killara – Manly – Mosman – North Sydney – Petersham - Warrawee – Waverley.

Balmain pulled out at the last minute leaving an odd number of contestants. The gap was filled by a scratch team cobbled together by North Sydney (the Bears), and they called themselves the "Barbearians".

The Combatants

The host club had the privilege of setting the event and scoring formats.

This year's event consisted of teams of open gender, two-bowl fours playing four games of 7 ends each.

Scoring was as follows – 3 points for the closest shot – 2 points for the second shot and 1 point for third – 3 points per toucher – 3 points for the team holding shot after the leads have delivered.

Warrawee's team consisted of – Heather Bradley – Warwick Davis – Peg Fabro – Malcolm Kirby – Sue O'Keefe – Hillar Poder. Play was rotated so each member played at least two games.

Warrawee played against Chatswood, Barbearians, North Sydney and Manly.

Lunch was served after the third game and included sumptuous, rolled roast pork and roast chicken pieces. Altogether, too much food.

We won two games and lost two finishing fifth on the ladder. The event was won by Killara who will be hosting next year's event.

We look forward to that!

CONCLUSION FOR THE MONTH

Brian and Moonhee are back from enjoying summer weather in Seoul.

As lawn bowls is not played in Korea, we were unable to practice for 2 months and now hope the rains will let up so we can all play again!

We did find a croquet lawn in Seoul – but it looked very different from our lawn at Warravee. Artificial grass, a roof and the hoops were so much wider making it a very much easier game!

A reminder that our Club website address is:- <https://warraveeclub.com.au>

We have also registered <https://warraveeclub.au> which will also connect to our website – a necessary step to protect against anyone else taking that web address.

Stay safe and stay well.
